# **BARGAINING UPDATE**

**March 1, 2018**

- GUSD presented a counter-proposal on Article 7, Hours of Employment.
- GUSD presented a counter proposal on wages:
  - 1.0% on schedule raise for 2016-2017
  - 1.0% on schedule raise for 2017-2018
  - 1.0% on schedule raise for 2018-2019

Our GTA Proposal has been consistent:

- 1.5% on schedule raise for 2016-17
- 1.5% on schedule raise for 2017-18

- GTA knows the District can afford our original offer. It is now evident the District **can** afford the 3% ongoing raise we have proposed. 1% each year is unacceptable, considering the amount of new funding GUSD has and will receive.
