Elaine Tipton
CTA/NEA-Retired

“

In March 2023, after an unseasonable amount of snowfall, my home burned to the ground following a gas meter explosion. While it was fortunate that my husband and I weren't home at the time, the pain and anguish of losing our only home where we had lived for 36 years, as well as the loss of all of our personal belongings, was emotionally and physically devastating. While we are continuing to deal with the homeowner's insurance for a fair settlement, this life event has been so incredibly stressful. I became a lifetime CTA member when I retired in 2017, and I reached out to the CTA Disaster Relief Fund for any assistance they could provide me. I am so thankful to CTA for awarding me the Standard Grant as well as the Catastrophic Damage Grant. I am so appreciative that my professional organization, CTA, where I have been a member since 1987, was there for me when I needed them most. Thank you, California Teachers Association. . . you all are the BEST! ”

WARNING

Many Cafeteria or Flex Plan district plan administrators sell insurance products and may use the district's enrollment periods to steer you towards products not endorsed by CTA. Please be sure to compare coverage, premiums, and policies to the CTA-endorsed plan before making a selection.

Also, many districts have hired a third-party administrator (TPA) to administer their 403(b) plan. Sometimes the TPA is affiliated with a 403(b) vendor. This can create a conflict of interest if the 403(b) third-party administrator is influencing the list of approved vendors or using its position to sell products. Be sure to check out all your investment options, including the CTA 403(b) Retirement Savings Plan, before deciding.
